## Rearrange the Numbers

Rearrange the numbers below so that 10 sets of three numbers each add up to 20.

16	2	10	5	6
3	1	8	11	6
1	6	4	10	8
17	4	0	8	1
0	5	17	10	15
8	3	4	2	9

Organize the numbers into ten groups below showing the addition problems for each. Each group can only have three numbers. Remember the sum needs to add up to twenty.
